**What is Touch-a-Truck?**

Touch-a-Truck is an event that allows children to touch and climb on all types of vehicles. Some of the biggest and most amazing vehicles can keep kids entertained for hours. Trailer trucks, tow trucks, trucks that sweep the street, fire trucks, concrete mixers, diggers, excavators and similar vehicles for children to touch, climb on and photograph. In addition to the vehicles their will be children's activities such as inflatable rides, face painting and character appearances. We also now partner with the Orange County Pilots Association's Aviation Expo to bring airplanes, helicopters and sky divers to the event making it bigger and better than ever. **This year's event will be held at the Orange County Airport in Montgomery, NY on Sunday, June 3, 2012.** We hope you will join us and be a part of the fun!
